

SAUGUS ACTION VOLUNTEERS FOR THE ENVIRONMENT
2016 ENVIRONMENTAL SCHOLARSHIP
APPLICATION

SAVE is offering a \$500.00 Environmental Scholarship to a Saugus Resident of the Graduating Class of 2016. This is a scholarship for a student who will be attending a two/four-year college or other educational institution and pursuing a degree in an area that would positively impact the environment.

Along with the completed application, please include a separate sheet (identified with your name, address, and high school) that provides a brief summary of any of your activities relating to the environment and describe how you feel your career choice will positively impact the environment.

Please mail your application (postmarked by April 22, 2016) to:
